A/N: This was requested by **brokengem**. This is my first try at a H2O fanfic (actually it's the first one that's solely based on H2O & finished). THERE NEEDS TO BE MORE H2O JUST ADD WATER FANFICTION BTW PEOPLE!

I'm pretty sure Cleo & Zane knew each other from when their kids or at least went to the same school since they were kids. I can't quite remember though. I vaguely remember Cleo saying something like that â€“ I could be wrong though.

Disclaimer: Don't own anything! Although if I did? Rikki/Zane would have more screen time in the upcoming season! ;)

Cleo's POV

When they were little kids, in kindergarten, I used to have a crush on Zaneâ€¦

I never told _anyone_ about that though â€“ not even Lewis. It was rather stupid of me, I knew now, but at the time he was the most popular boy in class and everyone liked him. He was nice thenâ€¦ made friends with everybody. He seemed really brave and smart. It was very easy to have a crush on him. I wanted to be just like himâ€¦ to be

liked by everyone, but I was too shy and quiet.

I haven't liked him since primary school back in second grade when he started to become meaner. It's been so long since I've seen the nice side of him, I easily forget about the boy he once was along time ago. But when Zane's around Rikkiâ€¦ I see that boy and I'm really happy to see that he's back. I don't have a crush on him or anything anymore, but I do like the new attitude he has for everyone around him.

I'm really thankful he and Rikki are together, despite what I really said out loud, but I'd rather not have anyone laugh at me for a kiddie crush on him or have Rikki look at me suspiciously knowing that I used to like Zane.

THE END.
